## flooring collection

The respected Indian rug manufacturer **Jaipur** turned to Grant Design Collaborative in order to create fresh, vivid collections that could meld its rich craftsmanship with a modern, American design sensibility.

### **Graphic Statements**

The resulting pieces are alive with color, texture, graphics, and whimsy, and look equally suitable in commercial and residential settings. Footnotes has an intricate pattern of asterisks superimposed on three base bands of color. Sunbursts pepper the Screen Time carpet, while staggered, gourd-like figures spike the canvas of Nest Down; both can be used indoors or out. Playful Ring Toss mimics the random look of the game pieces after they have landed on a lawn. Fall Leaves, an indoor/outdoor piece, employs delightful leaf patterns scattered across a solid ground. Nest Down, Fall Leaves, and Screen Time are in polypropylene; Footnotes and Ring Toss are in wool. A range of sizes is available, from 2 by 3 feet to 8 by 11 feet, as well as custom. 888-479-8280; [grantcollaborative.com](http://grantcollaborative.com). **circle 621** ➤
